Timeline showing the progression of a project from 2018 to 2021. The timeline is marked with years and months. Key events are indicated by colored boxes: a green box for 'Project start' in 2018, a blue box for 'Project completion' in 2021, and a red box for 'Project end' in 2021. The timeline is divided into four main sections: 2018, 2019, 2020, and 2021. The 2018 section shows the start of the project in January. The 2019 section shows the project continuing through the year. The 2020 section shows the project continuing through the year. The 2021 section shows the project completing in January and ending in January.
